When Mr. Quadlander Crabbe tells his twin daughters, Faith and Hope, about an old promise to his WW II war buddy, Terence Flarity, sparks begin to fly. Will Faith and Hope ever get reunited with the two "hunks" they met at the beach? Why did cousin Poison Ivy drop in? Did the Butler really do it? . . . Once again, Jack Burkett and the Junior Class scored with an exciting play.

May 8, 1981. What a night! Twelve Juniors competing for the title of Miss Kinston. One could almost feel the excitement as you walked into the auditorium. The opening number by the girls was a lovely choreographed dance routine to the old favorite, "Raindrops Keep Falling On My Head". The memories of this night will always be cherished by the ones who participated in the event.

Go Bulldogs!

Homecoming, once more like years gone by, was a big success. The morning opened with everybody working on their favorite float. The parade began with it's traditional route down Main Street. Then came the judging of the floats. The winners were ... First place captured by the 9th Grade, Second place went to the 11th Grade, while the Seniors won Third. AJAS won the car entry. Homecoming Night will not be forgotten for several reasons. Our Bulldogs won their first football Homecoming Game ever! After the game, most of the students went to the Homecoming Dance. Through all of this, Homecoming 1980 sparkled once more as it has in years past.

MORE THAN A SPONSOR

Mrs. Amelia Rhoades had been an asset to the Class of 81. She has helped us make all of our activities a big success. Mrs. Rhoades is dependable, trustful, and faithful, but most of all she's a great person. She has been more than a sponser to us this year. Mrs. Rhoades, the Class of 1981 would like to say, "Thank you."

KRIS BOWDIN

Student Body President

The Student Body at Kinston High School this year was very fortunate to have a leader of the quality and caliber of Kris Bowdin. Kris performed the functions of the Student Body President in a way that made the faculty and students proud. Kris has inspired every student at KHS by proving that one can perform well in academics and athletics.

The Seniors of 1981 are different and unique. We all have our own special ways, values, and thoughts. For some of us our destiny is already set and put into motion, for others the way is not yet clear. There are some things we will never forget about our school days: the friendships we made that will last a lifetime, and those wonderful moments that we were on top of the world-this is what made it great. Each different in their own way, but in the end we all became as one to form the Class of 1981.

GRADUATION 1981

Commencement Exercises were held on May 22, at the KHS Gym. The Honor Students presented the program, entitled "Steps To Success". Scott Sansom gave the Invocation. Mike Carnley gave the Welcome Speech. The Introduction to the "Steps To Success" was given by Melissa Mathews. The Steps were presented by Kris Bowdin — Education; Drew Reeves — Attitudes of Society; Deborah Farris — Family; and David Holley gave the Summary. Robert Chambless, Jr. gave the Farewell Address.

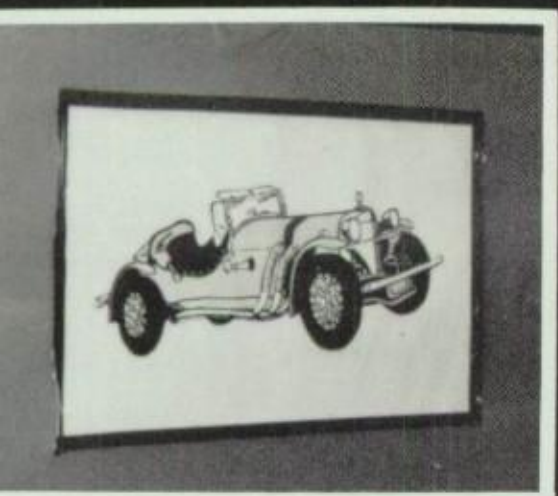

JUNIOR BANQUET

Best Ever! Fabulous! Those are a few of the words that may describe the Junior Banquet and Senior Prom.

"Always and Forever" was the theme of the Banquet, with Greg Fleming welcoming the Seniors to the event. Kris Bowdin gave the Senior response. The Class Prophecy was read by Kenny Davis and Jeanette Haygens. Scott Sansom and Roger Harrison gave the Last Will and Testament.

SENIOR PROM, APRIL 24, 1981

This years theme for the Senior Prom was "The Roaring Twenties". KHS's gym was decorated with scenes from the late 1920's with dancers, antique cars, and there was even a "bar" in the center. Many commented that this was one of the best decorated Proms ever held at Kinston.

Dance! Dance! Dance! Prom Night! Everybody was in the party mood. They were dancing to a really cool disco beat all night long. The Prom lasted from about 9:00 till 1:00. Everybody was doing the "Backstroke" or the "Dog" or just "Strutting their Stuff!"

STATE 1981

Jimmy Rodgers waves his arms in celebration as he sees the ball go through the hoop.

Question? What could the Bulldogs give Coach Pete Kelley for his Birthday? Answer: The State 1A Championship!

This was Kinston's twentieth time at the State Tournament, and the Third State Championship.

Everybody at school and many of the townspeople came to wish the Bulldogs good luck when they left to go to Tuscaloosa. The Cheerleaders held a pep rally and even the folks from local radios covered the event.

Just Good "Ole Boys" waiting to go to "T-Town".

Cheerleaders lead the Pep Rally.

Kinston's Curtis Lane (15), Jeff Rhodes (31) and Mike Rhodes (35) all scramble to get the rebound.

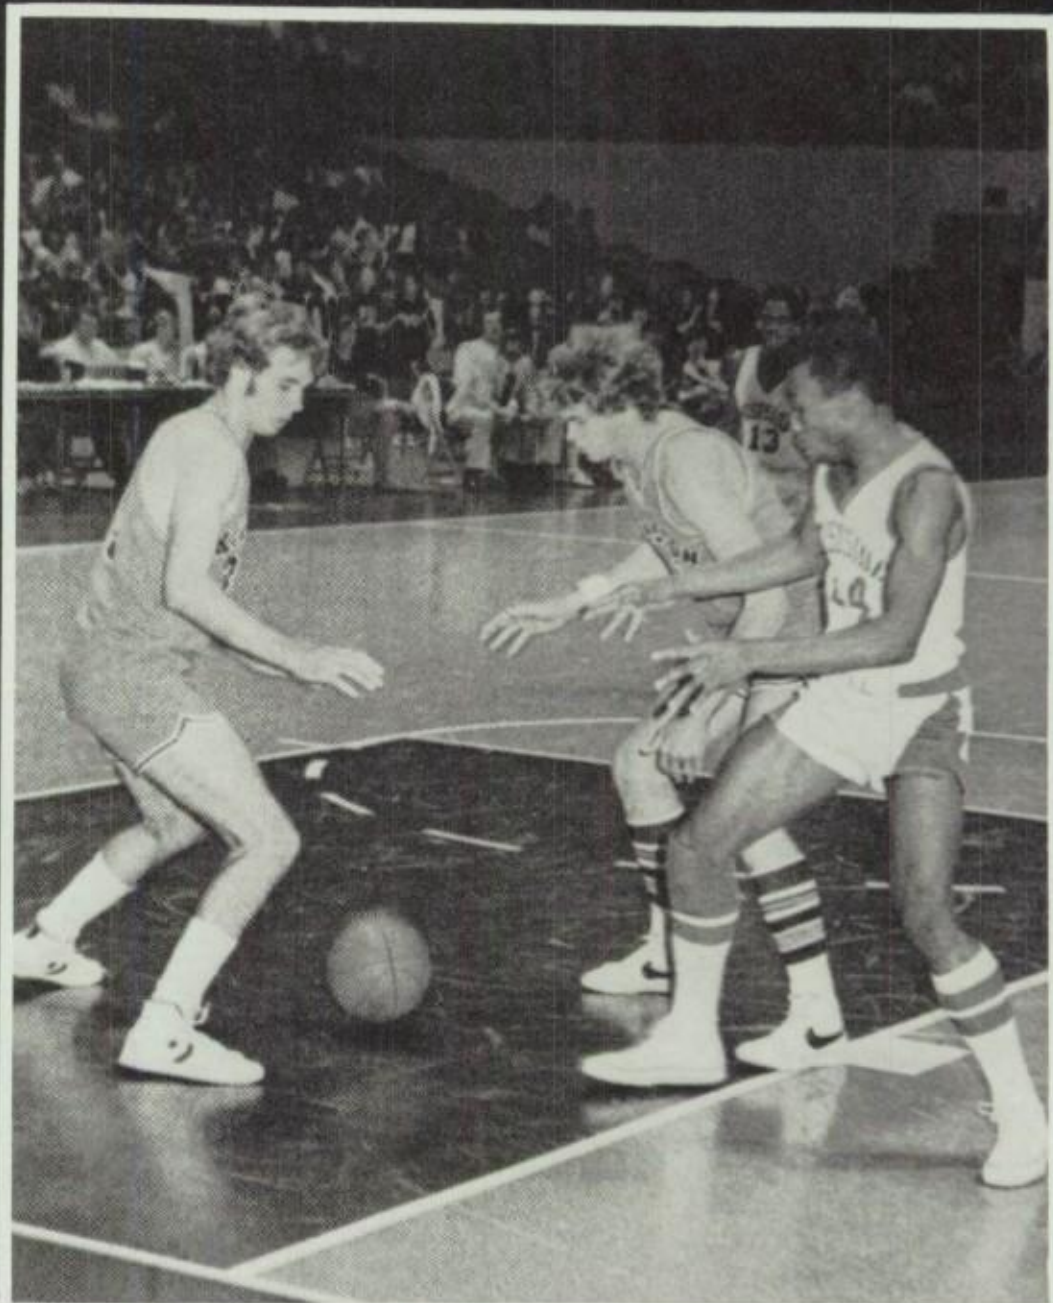

KHS used a fast break of offense and a tight defense to roll past the over-confident Lochapoka Indians in the Semi-Finals. The Bulldogs took a 2-0 lead and never trailed, leading by 6 at the halftime. The Indians never got closer than 4 points. After the midpoint of the third quarter, the outcome was never in doubt, with Kinston easily winning 87-69.

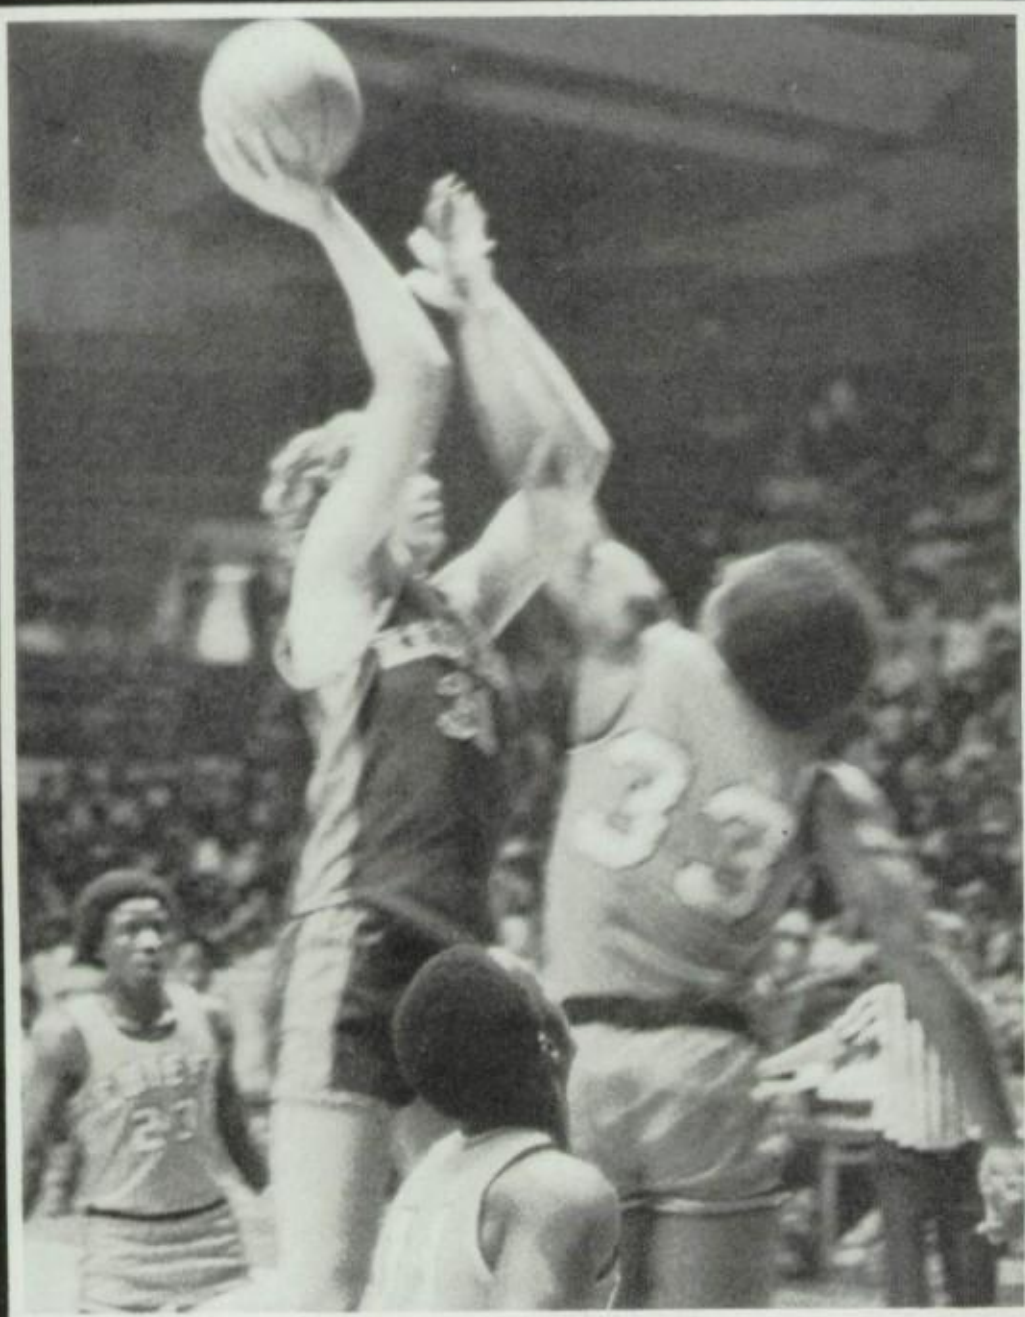

Sonya and Monica (KHS's # 1 Fans)

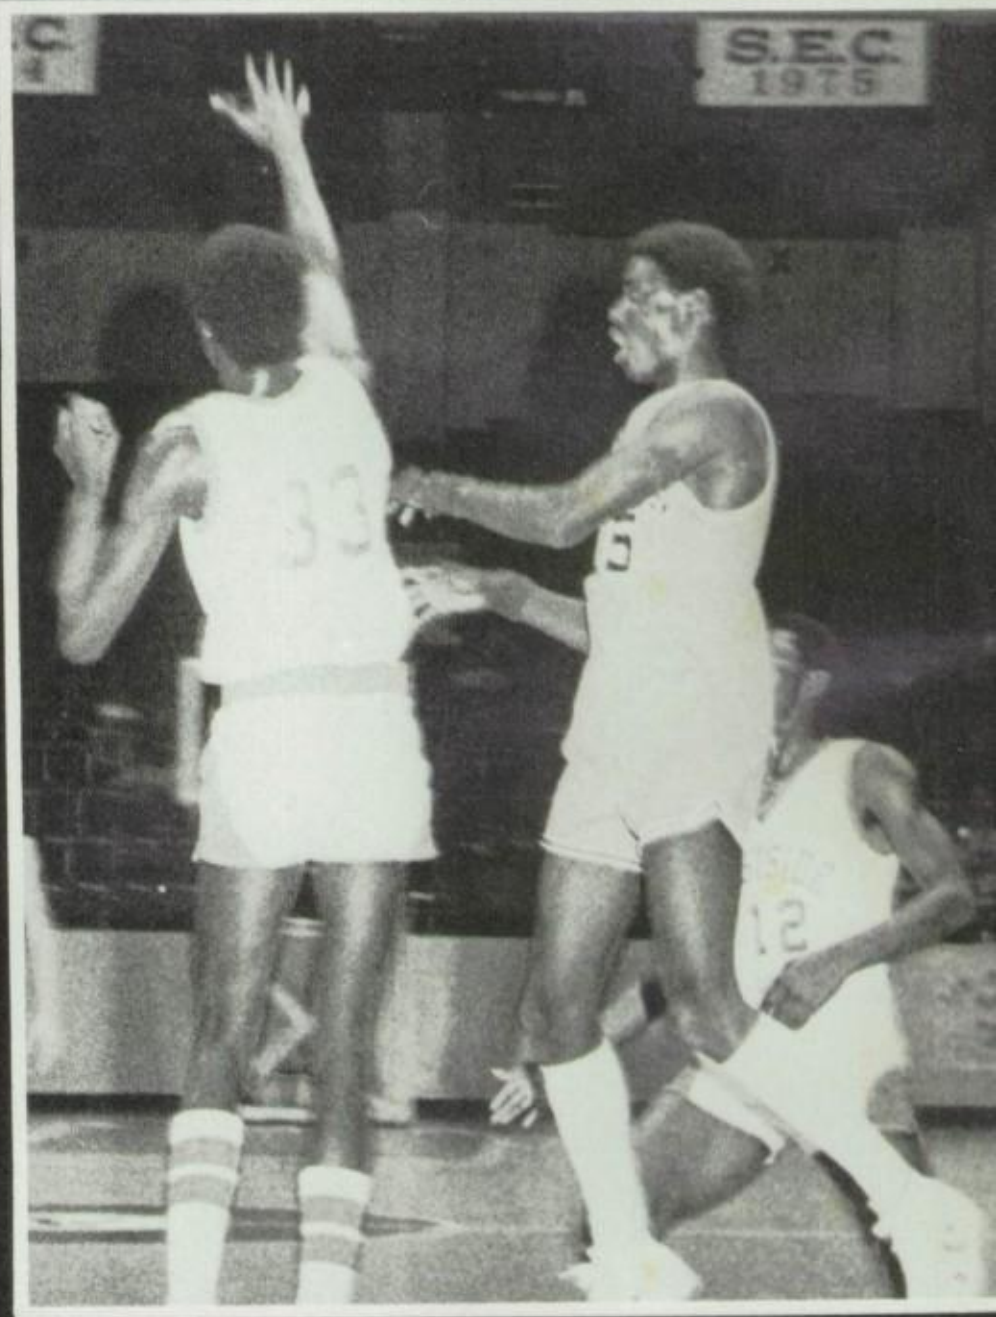

Westside of Marion was the first to fall to the Bulldogs. Kinston trailed 4 points early in the second quarter but then rallied in the final 20 minutes to win easily. Scott S. was one of the key players to the "Dogs" victory, hitting 9 of 11 shots from the field and 8 of 12 free throws for 26 points. Jeff Rhodes led in the rebounding department with 14 while Curtis Lane had 10. Final Score was Kinston 70 --- Westside 56.

Westside's # 14 seems in trouble. He knows he can't get the ball from Mike and Jeff.

Kinston's Jeff Rhodes leaps high and shoots to make two more points for the KHS Team.

Look at the "Doctor" hanging in the air! (Lane getting ready to steal the ball)

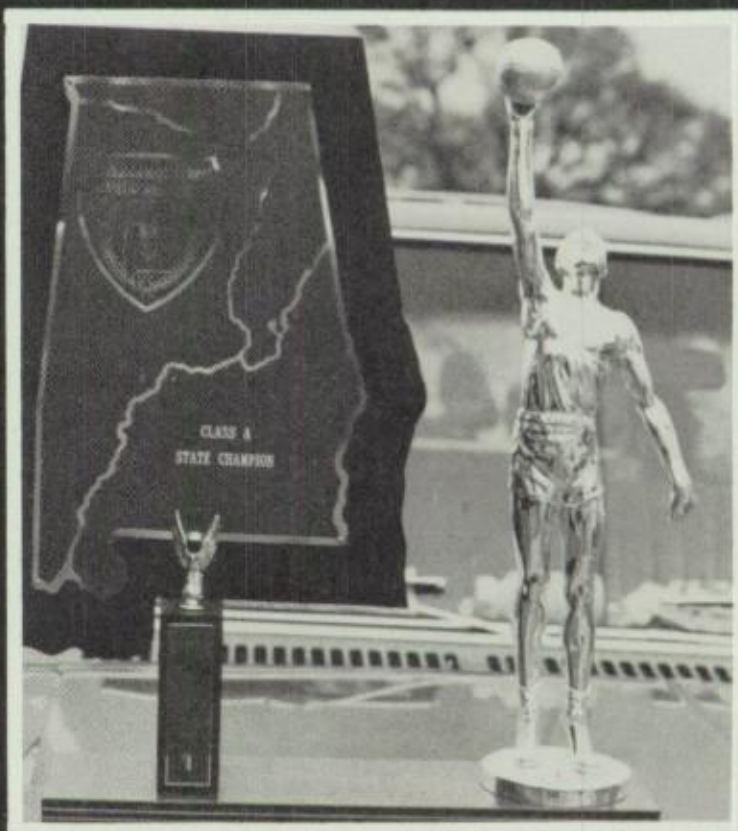

Coffee County's Two State Trophies.

In the Lochapoka game, Tim Free was the leading scorer for the Bulldogs with 20 points. Others in double figures were Jeff Rhoades — 19, Scott S. — 15, Curtis L. — 13, and Mike R. with 10. Jeff and Curtis also had 12 rebounds each. Kinston shot 35 of 60 from the field and added 17 of 26 free throws. Lochapoka hit only 29 of 81 field goals.

The "icing" on Coach Kelley's Birthday cake was made on Saturday, February 28, with the victory over Courtland.

It was a team effort that gave the Bulldogs their win to become the Alabama High School Athletic Association 1A Basketball Championship. The Bulldogs rallied from an eight-point deficit behind the scoring of its sixth man and key plays from its fifth starter to defeat Courtland 59-57. Jeff Rhodes led Kinston, with 14 points, Sansom and Lane each had 12, and Mike R. had 11. Jeff had 12 rebounds. Lane added 10 rebounds and six assists.

What more could you ask for? KHS had the 1981 State 1-A Basketball Championship team. Suddenly, Kinston was on the map again. Who would have ever thought that "this little ol' team from the south" would be the State Champs? They proved they could play anywhere and win. Many a team fell to the Bulldog juggernaut! KHS scored over 100 points every time they played Coffee Springs. But many feel that one of the most satisfying victories was when KHS played our friends to the south and won by a whopping 40 points.

Kinston High School and basketball are two interchangeable words at KHS. The Bulldogs have always been a dominant force in this area. One reason is that the team gives 110% effort all the time. The year 1981 proves that point ... those players worked hard and got their just reward.

TOUCHDOWN!!

Football at KHS . . . It's something to look forward to. The sights, sounds, and smells often associated with this great American sport brought to life on the field of contest. The pain, agony, and disappointment of defeat . . . the honor, glory, and jubilant rejoicing of victory. This year, for the first time since the football program was renewed at Kinston, our team had a winning season. This, combined with excellent performances in other areas, is what makes Kinston something special. Kinston . . . A home of Champions . . . An Alma Mater we can all be proud of.

For the past few years, it was a rule of thumb that the girls in Varsity Volleyball would perform well, this year was no exception. The 1980-81 Volleyball team, under the supervision of Coach Amelia Rhoades, once again earned a trip to the State Tournament, which was held in Mobile.

We would like to offer our congratulations to the young ladies for doing such a fine job and representing our school so well.
